Basis of Contract</p> <p>2.1 These Conditions apply to the Contract to the exclusion of any other terms that the Customer seeks to impose or incorporate, or which are implied by trade, custom, practice or course of dealing. No terms endorsed upon, delivered with or inserted in the Order or other document by the Customer shall form part of a Contract unless expressly agreed in writing by the Supplier. The Order constitutes an offer by the Customer to purchase the Goods in accordance with these Conditions. The Customer shall ensure that the Order and any relevant Specification are complete and accurate. The Order shall only be deemed to be accepted when the Supplier issues a written acceptance of the Order, at which point the Contract shall come into existence. The Contract constitutes the entire agreement between the parties. The Customer acknowledges that it has not relied on any statement, promise or representation made or given by or on behalf of the Supplier which is not set out in the Contract. Any samples, drawings, descriptive matter, or advertising issued by the Supplier and any descriptions or illustrations contained in the Supplier's catalogues or brochures are issued or published for the sole purpose of giving an approximate idea of the Goods described in them. They shall not form part of the Contract or any other contract between the Supplier and the Customer for the sale of the Goods. 2.5 A quotation for the Goods given by the Supplier shall not constitute an offer. A quotation shall only be valid for a period of 10 Business Days from its date of issue.</p> <p>3. Delivery</p> <p>3.1 The Supplier shall ensure that: (a) Delivery of the goods will be according to the Order. Weight is to be added to the Order before it is deemed complete. Each delivery of the Goods is accompanied by a delivery note which shows the date of the Order, all relevant Customer and Supplier reference numbers, the type and quantity of the Goods (including the code number of the Goods, where applicable), special storage instructions (if any) and, if the Order is being delivered by instalments, the outstanding balance of Goods remaining to be delivered; and (b) if the Supplier requires the Customer to return any packaging materials to the Supplier, that fact is clearly stated on the delivery note. The Customer shall make any such packaging materials available for collection at such times as the Supplier shall reasonably require. Returns of packaging materials shall be at the Supplier's expense. 3.2 The Supplier shall deliver the Goods to the location set out in the Order or such other location as the parties may agree (the "Delivery Location") at any time after the Supplier notifies the Customer that the Goods are ready. 3.3 Delivery of the Goods shall be completed on the Goods' arrival at the Delivery Location. 3.4 Any dates quoted for delivery are approximate only, and the time of delivery is not of the essence. The Supplier shall not be liable for any delay in delivery of the Goods that is caused by the Customer's failure to provide the Supplier with adequate delivery instructions or any other factors that are relevant to the supply of the Goods. 3.5 If the Supplier fails to deliver the Goods, its liability shall be limited to the costs and expenses incurred by the Customer in obtaining replacement goods of similar description and quality in the cheapest market available, less the price of the Goods. The Supplier shall have no liability for any failure to deliver the Goods to the extent that such failure is caused by the Customer's failure to provide the Supplier with adequate delivery instructions or any other instructions that are relevant to the supply of the Goods. 3.6 If the Customer fails to take or accept delivery of the Goods within 3 Business Days of the Supplier notifying the Customer that the Goods are ready, then, except where such failure or delay is caused by a Force Majeure Event or the Supplier's failure to comply with its obligations under the Contract: (a) delivery of the Goods shall be deemed to have been completed at 9:00 am on the third Business Day following the day on which the Supplier notified the Customer that the Goods were ready; and (b) the Supplier shall store the Goods until delivery takes place, and charge the Customer for all related costs and expenses (including insurance). 3.7 If 10 Business Days after the Supplier notified the Customer that the Goods were ready for delivery the Customer has not taken delivery of them, the Supplier may resell or otherwise dispose of part or all of the Goods and, after deducting reasonable storage and selling costs, account to the Customer for any excess over the price of the Goods or charge the Customer for any shortfall below the price of the Goods. 3.8 The Customer shall not be entitled to reject the Goods if the Supplier delivers up to and including 5% more or less than the quantity of Goods ordered, but a pro rata adjustment shall be made to the Order invoice on receipt of notice from the Customer that the wrong quantity of Goods was delivered. 3.9 The Supplier may deliver the Goods by instalments, which shall be invoiced and paid for separately. Each instalment shall constitute a separate Contract. Any delay in delivery or defect in an instalment shall not entitle the Customer to cancel any other instalment.</p> <p>4. Quality</p> <p>4.1 Goods as provided for in the Order, the Supplier warrants that on delivery, and for a period of 12 months from the date of delivery (the "warranty period"), the Goods shall: (a) conform in all material respects with their description and any applicable Specification; (b) conform in all material respect to the standards set out in the Order; (c) be free from material defects in design, material and workmanship; (d) be of satisfactory quality. For the purposes of these Conditions, goods are of satisfactory quality if they meet the standard that a reasonable person would regard as satisfactory, taking account of any description of the goods, the price (if relevant) and all the other relevant circumstances; and (e) be fit for any purpose held out by the Supplier. 4.2 Subject to clause 4.3, if: (a) the Customer gives notice in writing to the Supplier during the warranty period within a reasonable time of discovery that some or all of the Goods do not comply with the warranty set out in clause 4.1; and (b) the Supplier is given a reasonable opportunity of examining such Goods, the Supplier shall, at its option, repair or replace the defective Goods, or refund the price of the defective Goods in full. 4.3 The Supplier shall not be liable for Goods' failure to comply with the warranty set out in clause 4.1 if: (a) the Customer makes any further use of such Goods after giving notice in accordance with clause 4.2; or (b) the defect arises because the Customer failed to follow the Supplier's oral or written instructions as to the storage, commissioning, installation, use and maintenance of the Goods or (if there are none) good trade practice; or (c) the defect arises as a result of the Supplier following any drawing, design or specification supplied by the Customer; or (d) the Customer alters or repairs such Goods without the written consent of the Supplier; or (e) the defect arises as a result of fair wear and tear, wilful damage, negligence, or abnormal storage or working conditions. 4.4 Except as provided in this clause 4, the Supplier shall have no liability to the Customer in respect of the Goods' failure to comply with the warranty set out in clause 4.1. 4.5 Except as set out in these Conditions, all warranties, conditions and other terms implied by statute or common law are, to the fullest extent permitted by law, excluded from the Contract. 4.6 These Conditions shall apply to any repaired or replacement Goods supplied by the Supplier.</p> <p>5. Title and Risk</p> <p>5.1 The risk in the Goods shall pass to the Customer on completion of delivery in accordance with clause 3.3. 5.2 Title to the Goods shall pass to the Customer until the Supplier has received payment in full (in cash or cleared funds) for: (a) the Goods; and (b) any other goods or services that the Supplier has supplied to the Customer in respect of which payment has become due. 5.3 Until title to the Goods has passed to the Customer, the Customer shall: (a) hold the Goods on a fiduciary basis as the Supplier's bailee; (b) store the Goods separately from all other goods held by the Customer so that they remain readily identifiable as the Supplier's property; (c) not remove, deface or obscure any identifying mark or packaging on or relating to the Goods; (d) maintain the Goods in satisfactory condition and keep them insured against all risks for their full price from the date of delivery; (e) notify the Supplier immediately if it becomes subject to any of the events listed in clause 7.2; and (f) give the Supplier such information relating to the Goods as the Supplier may require from time to time. This clause is subject to the supplier's right to an interest in the sale proceeds. 5.4 If before title to the Goods passes to the Customer the Customer becomes subject to any of the events listed in clause 7.2, or the Supplier reasonably believes that any such event is about to happen and notifies the Customer accordingly, then, provided that the Goods have not been resold, or irrevocably incorporated into another product, and without limiting any other right or remedy the Supplier may have, the Supplier may at any time require the Customer to deliver up the Goods.</p> <p>6. Price and Payment</p> <p>6.1 The price of the Goods (including the applicable currency) shall be the price set out in the Order, or, if no price is quoted, the price set out in the Supplier's published price list in force as at the date of delivery. 6.2 The Supplier may, by giving notice to the Customer at any time up to 10 Business Days before delivery, increase the price of the Goods to reflect any increase in the cost of the Goods that is due to: (a) any factor beyond the Supplier's control (including foreign exchange fluctuations, increases in taxes and duties, and increases in labour, materials and other manufacturing costs); (b) any request by the Customer to change the delivery date(s), quantities or types of Goods ordered, or the Specification; or (c) any delay caused by any instructions of the Customer or failure of the Customer to give the Supplier adequate or accurate information or instructions. 6.3 The price of the Goods indicated in the invoice already includes costs and charges of packaging, insurance, transport of the Goods and applicable taxes.</p>	<p>6.4 The Supplier may invoice the Customer for the Goods on dispatch. 6.5 The Customer shall pay the invoice in full and in cleared funds to agreed credit terms. Payment shall be made to the bank account nominated in writing by the Supplier. Time of payment is of the essence. 6.6 If the Customer fails to make any payment due to the Supplier under the Contract by the due date for payment (due date), then the Customer shall pay interest on the overdue amount at the rate of 12% per annum. Such interest shall accrue on a daily basis from the due date until the date of actual payment of the overdue amount, whether before or after judgment. The Customer shall pay the interest together with the overdue amount. 6.7 The Customer shall pay all amounts due under the Contract in full without any deduction or withholding except as required by law and the Customer shall not be entitled to assert any credit, set-off or counterclaim against the Supplier in order to justify withholding payment of any such amount in whole or in part. The Supplier may at any time, without limiting any other rights or remedies it may have, set off any amount owing to it by the Customer against any amount payable by the Supplier to the Customer.</p> <p>7. Customer's Insolvency or Incapacity</p> <p>7.1 If the Customer becomes subject to any of the events listed in clause 7.2, or the Supplier reasonably believes that the Customer is about to become subject to any of them and notifies the Customer accordingly, then, without limiting any other right or remedy available to the Supplier, the Supplier may cancel or suspend all further deliveries under the Contract or under any other contract between the Customer and the Supplier without incurring any liability to the Customer, and all outstanding sums in respect of Goods delivered to the Customer shall become immediately due. 7.2 For the purposes of clause 7.1, the relevant events are: (a) the Customer suspends, or threatens to suspend, payment of its debts or is unable to pay its debts as they fall due or admits inability to pay its debts or (being a company) is deemed unable to pay its debts within the meaning of section 123 of the Insolvency Act 1986, or (being a partnership) has any partner to whom any of the foregoing apply; or (b) the Customer commences negotiations with all or any class of its creditors with a view to rescheduling any of its debts, or makes a proposal for or enters into any compromise or arrangement with its creditors; or (c) a creditor or encumbrance of the Customer attaches or takes possession of, or a distress, execution, sequestration or other such process is levied or enforced on or sued against, the whole or any part of its assets and such attachment or process is not discharged within 14 days; or (d) an application is made to court, or an order is made, for the appointment of an administrator or if a notice of intention to appoint an administrator is given or if an administrator is appointed over the Customer; or (e) a floating charge holder over the Customer's assets has become entitled to appoint or has appointed an administrative receiver; or (f) a person becomes entitled to appoint a receiver over the Customer's assets or a receiver is appointed over the Customer's assets; or (g) any event occurs, or proceeding is taken, with respect to the Customer in any jurisdiction to which it is subject that has an effect equivalent or similar to any of the events mentioned in clause 7.2(a) to clause 7.2(f) (inclusive); or (h) the Customer suspends, threatens to suspend, ceases or threatens to cease to carry on all or substantially the whole of its business; or (i) the Customer's financial position deteriorates to such an extent that in the Supplier's opinion the Customer's capacity adequately to fulfil its obligations under the Contract has been placed in jeopardy.</p> <p>8. Limitation of Liability</p> <p>8.1 Nothing in these Conditions shall limit or exclude the Supplier's liability for: (a) death or personal injury caused by its negligence, or the negligence of its employees, agents or subcontractors (as applicable); (b) fraud or fraudulent misrepresentation; or (c) breach of the Supplier's warranty that the Goods are free and clear of any encumbrance, lien, charge or any other right, and will remain free and clear until the delivery. Also that Supplier has the right to sell the Goods and that it will continue to have this right at the time of delivery. And that Customer will enjoy quiet possession of the Goods; or (d) any matter in respect of which it would be unlawful for the Supplier to exclude or restrict liability. 8.2 Subject to clause 8.1: (a) the Supplier shall not be liable to the Customer, whether in contract, tort (including negligence), breach of statutory duty, or otherwise, for any loss of profit or indirect or consequential loss arising under or in connection with the Contract (including any losses that may result from a deliberate breach of the Contract by the Supplier, its employees, agents or subcontractors); and (b) the Supplier's total liability to the Customer in respect of all other losses arising under or in connection with the Contract, whether in contract, tort (including negligence), breach of statutory duty, or otherwise, including losses caused by a deliberate breach of the Contract by the Supplier, its employees, agents or subcontractors shall not exceed the price of the Goods.</p> <p>9.
